Wondering what's really happening in the market? Then we invite you to sign up for our free Market Update reports.

These reports, sent to you via email, contain extensive information regarding properties in your area that are currently for sale or have recently sold. The data is easy to read and is based on current, detailed information from the regional Multiple Listing Service.

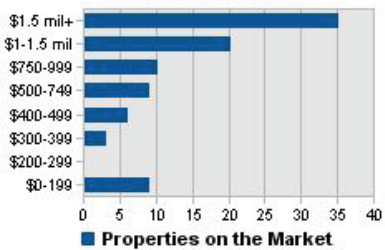

### For Buyers:

Searching for a new home can be an overwhelming task. With our Market Update reports you'll receive a comprehensive overview of what's available in your desired areas and will be able to compare properties and prices in one place. For up-to-the-minute alerts about new homes that come on the market that fit your criteria, you can sign up for our free Home Alerts. Just go to [fhallen.com](http://fhallen.com) or ask me how.

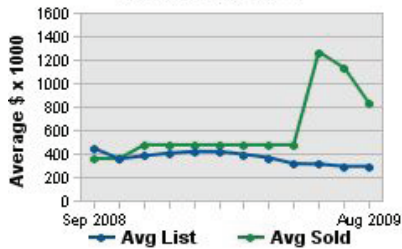

### For Sellers:

Your home is most likely one of your greatest financial assets. Our Frank Howard Allen Market Update reports will help you evaluate and track home values in your neighborhood. If you're considering selling, the report will provide vital information regarding pricing and market activity. If you are interested in a more detailed report which would take into account the particulars of your specific property, please contact me directly and I will provide a comprehensive Comparative Market Analysis (CMA).
